

Dave Gallagher 2008 Fall League Baseball - 13u

We are currently accepting registration for Dave Gallagher 2008 Fall League Baseball. As is customary with our leagues, we are extending return invitations to teams who participated in our leagues the previous season, provided the relationship between the team and league was positive. Teams will have until Friday, June 13th to mail in a \$150 deposit to secure their spot in the league. Once the June 13th date has passed, remaining spots will be open to new teams. The league will limit the number of teams in each age division. The 11u division is completely open for new teams. New teams for all age divisions may register at any time (including prior to the June 13th deadline for returning teams). Once the number of returning teams has been determined, new teams will be accepted into the league on a first come-first served basis. A team is considered to be registered only if they have completed the online registration AND mailed in a deposit check in the amount of \$150. The deposit is refundable ONLY if there is insufficient room to place the team in a league.

All deposit checks are to be mailed to:

Dave Gallagher Baseball Academy

7 Yellow Meeting House Rd.

Millstone Twp., NJ 08510

What the Dave Gallagher League provides for the 11u, 12u, and 13u divisions:

- \$ All games are played on site at Frogbridge
- \$ We prepare fields before, during, and after games
- \$ We draw up the regular season and post-season schedule
- \$ We act as league commissioner, setting and enforcing all league policies.
- \$ We schedule and pay for umpires
- \$ We provide baseballs at each game
- \$ We work on fields to get them playable in the event of inclement weather
- \$ We provide a phone hotline for parents and coaches for update on game status
- \$ We provide and update our website with league standings and schedules

A staple of our leagues is that we require teams to abide by our policies and commit to the schedule 100 percent. Once the schedule is set and distributed in August, there are no changes permitted. This provides protection to teams as well as stability and fairness to the leagues. If this presents a potential problem for a team, it is in their best interest to seek participation in an alternate league.

We are also very strict in our standards of how coaches and parents act during league play. Adults who experience difficulty in controlling their emotions during competition would find it in their best interest to join an alternate league. The Dave Gallagher League will not condone any form of volatile behavior before, during or after league play.

League Information - 13u Division

Games will be scheduled on Saturdays and Sundays at Frogbridge. We will work closely with all teams to provide a schedule that works best for your specific situation. For example, if you prefer Sunday games, we will try to maximize the number of Sunday games you play. But to participate in the league you must be available to play either Saturday or Sunday

The regular season will begin the weekend of Saturday, September 6th. Teams will play a single game each weekend. If the league has an uneven number of teams, each team will play one doubleheader during the season to balance out the schedule (no bye weeks). All participants will compete in the post-season. The championship game will be played on the weekend of November 14th. We will not schedule games on Labor Day weekend.

Cost for the league will be \$1,425 per team, and a separate \$150 forfeiture fee check that is returned at season's end provided your team does not forfeit any games. Each team roster must have a minimum of 11 players and insurance. Guest players are permitted throughout the regular season if they are utilized according to league policy.

Players in the 13u league must be born on or after May 1, 1994.
